<b>Website</b>	<a href="https://www.paysdelaloire.fr/clean-energy-transition-partnership-cetp">https://www.paysdelaloire.fr/clean-energy-transition-partnership-cetp</a>
<b>Contact</b>	Gaëlle FROSTIN – <a href="mailto:gaelle.frostin@paysdelaloire.fr">gaelle.frostin@paysdelaloire.fr</a> Charlotte NOBLOT – <a href="mailto:charlotte.noblot@paysdelaloire.fr">charlotte.noblot@paysdelaloire.fr</a>

### National/regional requirements and guidelines on proposals

<b>Call Modules and topics</b>	CM2025-03B
<b>Proposal submission</b>	No additional submission of proposal at regional level
<b>Project Consortium Partners</b>	Small, Medium and large companies established and carrying out R&D activities in Pays de la Loire can be funded. Other entities such as universities, public research institutions, technological centres, and other private non-profit institutions may also be funded only if a company from Pays de la Loire is also a Project Consortium Partner and is deemed eligible for funding.  Companies must have been created since more than one year and have generated sufficient revenues.
<b>Project duration</b>	No regional requirement about project duration : see transnational requirement 6
<b>Project budget</b>	No regional requirement about project budget
<b>Funding request</b>	No regional requirement about funding request

Funding rates (%)	Basic research	Industrial/ applied research	Experimental development/innovation
Large enterprises	Ineligible	65%	40%
Medium enterprises	Ineligible	75%	50%
Small enterprises	Ineligible	80%	60%
Universities, public research organisations	Ineligible	75% of total eligible costs or 100% of marginal costs	75% of total eligible costs or 100% of marginal costs
Public authorities	Ineligible	Ineligible	Ineligible
Associations without economic activities, NGOs	Ineligible	Ineligible	Ineligible
Notes	Funding rates will be determined by the legal status of the applicant, the size of company and the proposed activity. The funding rate may vary from one work package to another. The final funding rate will be definitively defined after the selection phase.		
Types of cost	<p>Personnel costs i.e. the cost of researchers, technicians and other supporting staff to the extent employed on the relevant project or activity (gross salary, without overheads).</p> <p>Indirect costs: 15% of personnel costs.</p> <p>Contractual research costs, technical knowledge and patents bought or licensed from outside sources at market prices, and costs for consulting and equivalent services intended exclusively for the project.</p> <p>Other operating expenses, including costs for material, supplies and similar products, which result directly from the project.</p> <p>Instrument and equipment costs, to the extent and during the period in which they are used for the project.</p>		
RDI approaches and TRLs	<p>Projects may comprise industrial/applied research or experimental activities.</p> <p>Projects are expected to make relevant progress towards the demonstration of technology to TRL 6 or above (target TRL).</p>		
Other requirements/guidelines	Project activities in the proposed work plan funded by the Regional Council Pays de la Loire must be implemented in Pays de la Loire, or at least mobilise resources based in Pays de la Loire.
