 panies, medium companies and SMEs, spin offs etc., including municipal/local governments' investee/in-house companies. Higher education institutions (State universities and legally recognised) 		Eligible partners are the following legal entities having stable organisation in Italy:		
• Public research institutions (as listed in D.Lgs. n. 218/2016 Art 1).				

Project Consortium Partners (cont.)	 Public and private research organisations ('organismo di ricerca') including research foundations in accordance with EU Reg. n. 651/2014 of the European Commission – June 17, 2014. Other not-for-profit registered legal entities (foundations and associations provided they are registered legal entities) are eligible if participating in cooperation with one (or more) Italian Higher Education Institution(s) or public or private Research Organisation(s)/Institution(s). 		
	MUR-ERDF		
	 Eligible partners are the following legal entities carrying out research activities in the regions Basilicata, Calabria, Campania, Molise, Puglia, Sardegna, Sicilia: Enterprises (legally registered in the Register of Companies): large com- 		
	panies, medium companies and SMEs, spin offs etc., including munici- pal/local governments' investee/in-house companies.		
	 Higher education institutions (State universities and legally recognised universities as defined in L. 29 July 1991, n. 243) and their consortia (jointly with a private company/enterprise). 		
	 Public research institutions (as listed in D.Lgs. n. 218/2016 Art 1) (jointly with a private company/enterprise). 		
	 Public and private research organisations ('organismo di ricerca') including research foundations in accordance with EU Reg. n. 651/2014 of the European Commission – June 17, 2014 (jointly with a private company/enterprise). 		
	IMPORTANT NOTICE 1:		
	Public and private legal entities carrying out research activities in a local unit (laboratory, research centre, workshop, plant, branch, agency etc.), located in the regions of: Basilicata, Calabria, Campania, Molise, Puglia, Sardegna,		
	Sicilia, are supported primarily through MUR-ERDF and shall therefore se- lect the appropriate option in the application form (transnational and na- tional).		
	IMPORTANT NOTICE 2:		
	For applicants eligible for MUR-ERDF, the joint participation with at least a private company in the consortium is mandatory.		
	IMPORTANT NOTICE 3:		

Project Consortium Partners (cont.)	Other specific eligibility requirements or restrictions may apply to applicants supported by MUR-ERDF . Further details will be included in the "Avviso in- tegrativo nazionale", published at a later stage.				
	ADDITIONAL ELIGIBILTY CRITERIA				
	Applicants shall:				
	 not be defaulting with regard to other funding received by the Ministry of University and Research 				
	 not have requested/got any other funding for the same project 				
	• be compliant to the Italian law "D.Lgs. n 159 del 6/09/2011 e successive modificazioni ed integrazioni"				
	 not be subject to bankruptcy proceedings as of art. 5, comma 4, letter b) of DM 1314/2021 or must not be a company in difficulty according to the definition under number 18) of article 2 "Definitions" of Regulation (EU) no. 651/2014 				
	• be in compliance with the obligations laid down in the contributory and social security regulations (DURC)				
	Applicants shall demonstrate their viability and financial soundness regard- ing their own contribution to the project.				
	For any private entity, if the following financial criteria listed under a) and				
	b) , calculated using the data reported in the last approved balance sheet,				
	are not fulfilled, the applicant can be funded only if a bank guarantee is provided:				
	a) CN > (CP – I)/2				
	Where:				
	 CN = net assets (Capitale netto) CP = sum of the costs of all the projects for which public funding has 				
	been requested by the participant during the year				
	 I = sum of the contributions received, approved or requested for the same projects 				
	b) OF/F < 8%				
	Where:				
	• OF = financial charges (Oneri finanziari)				
	• F = turnover (Fatturato)				

Co-funded by the European Union
