

Denmark – Energy Technology Development and Demonstration Programme, EUDP

a) National/Regional information and eligibility criteria

Contact Point	Wickie Lassen Agdal wbl@ens.dk +45 33 92 92 73
Funding commitment	1.340.000 EUR
Anticipated number of projects to be funded	N/A
Maximum funding per awarded project/per partner	1.340.000 EUR
Eligible types of organisations	Private business enterprises, knowledge institutions and public business enterprises are eligible for aid. However, for the <i>project</i> to be eligible at least one Danish private business enterprise should participate as an active partner (<i>more information under “Additional eligibility criteria” below</i>).
Eligible Call Modules	All NB: EUDP does not support research activities under CETP . The applicant should choose “Innovation Fund Denmark” for research focused projects and “EUDP” for development and demonstration focused projects. <i>Contact the relevant national contact point for guidance as early in the application process as possible.</i>
Eligible types of RDI and TRL	EUDP supports projects focused on development and demonstration of new energy technology (TRL 4-8) .
Submission of proposal /documentation at national/regional level	EUDP require submission of specific appendices for national eligibility check (national proposal) . Appendices and more information are available at: https://eudp.dk/soeg-tilskud (<i>Scroll and choose the page relevant to CETPartnership 2024</i>).
Additional eligibility criteria	It is required that a project is Industry driven , where at least one Danish private business enterprise (with a Danish CVR-nr.) participates as an active partner. An active partner should have a significant expected contribution and the potential to generate effects in a Danish context such as growth and/or employment and/or contribute to Danish climate policy objectives (e.g. CO ₂ -reductions and/or security of supply). The above-mentioned criteria must be clearly substantiated in the separately submitted national proposal to EUDP . EUDP’s assessment criteria for national proposals under CETPartnership can be found in the EUDP document package here: https://eudp.dk/soeg-tilskud (<i>Scroll and choose the page relevant to CETPartnership 2024</i>).
